

ONSITE SUPERVISION

POLICY

POLICY STATEMENT

Adequate supervision of students in the school yard is a requirement of the school's duty of care.

The school will normally satisfy the duty of care for the on-site management of students outside normal timetabled class time by allocating responsibilities for supervision to different staff.

The principal is responsible for making and administering such arrangements for supervision as are necessary according to the circumstances in the school, and teachers are responsible for carrying out their assigned supervisory duties in such a way that students are, as far as can be reasonably expected, protected from injury.

This duty extends to intervention in single-sex areas if need be by a teacher of a different gender.

GUIDELINES

As part of its duty of care the school is required to adequately supervise students for a defined period before school; at recess time and lunch time; and after school.

This on-site supervision requires not only protection from known hazards, but also protection from those that could arise (that is, those the teacher should reasonably have foreseen) and against which preventive measures could be taken.

It is essential parents/carers are kept informed as to when supervision of students is available before and after school, and that outside these times supervision and/or the collection of students is the responsibility of parents/carers. This information should be clearly provided to parents/guardians on a regular basis.

Parents/carers may require their child to leave the school grounds to:

- be dismissed early from school to attend an appointment

It is important the school has a process to authorize these requests and accurate student records are maintained.

PROGRAM

A roster system will be used to timetable staff members for yard supervision.

Yard supervision will include before school, recess and lunch breaks, and after school.

In determining whether supervision of students entering or exiting the school is adequate, the principal or their nominee will consider a number of factors including:

- which entry/exit points should be or are used by students
- whether any entry or exit points should be locked, designated as out of bounds, or supervised
- road traffic conditions
- designated pick up and drop off areas

The supervision of the arrival and departure of any school contract buses is a matter for the discretion of the principal who will consider the following:

- the number of students alighting from and boarding the bus at the school
- the age of students alighting from or boarding the bus
- the times of the arrival and departure of the bus(es)
- the location of the pick-up and drop-off points in relation to the other areas of the school
- whether supervision is required to protect students on the bus, or from unruly student behaviour when boarding or alighting from the bus

Education support staff may be used to support the teaching staff on duty depending on the need at the time.

Note: When a student departs from the school (following initial attendance) without authorisation, the parent/guardian will be informed immediately.

This policy is to be read in conjunction with the school's 'Duty of Care Policy', Child Safety Policy, Child Safety Risk Assessment and Child Safety Code of Conduct.

EVALUATION

This policy will be reviewed annually or more often if necessary due to changes in regulations or circumstances

On-Site Supervision of Students Procedures

Introduction

The processes outlined below provide adequate and appropriate supervision of students in the school so the school fulfils its duty care to its students in terms of on-site supervision.

Supervision before and after school

The school will provide staff supervision for students arriving before school between 8.15am and 9.00am.

The school will provide staff supervision for students after school between 3.30pm and 3.45pm at the front of the school, then between 3:45pm and 4:05pm at the Bus Shelter.

This information is provided to parents/guardians on a regular basis via the school newsletter. Outside of these times the supervision and/or the collection of students is the responsibility of parents/guardians.

Sufficient teachers will be allocated by the school principal or their nominee to supervise students during these periods

Should a teacher be called away to other duties alternate supervision arrangements will be put in place in consultation with the principal or their nominee.

Supervision at recesses and lunch time

Students are required to be adequately supervised during recesses and lunch times. In order to ensure that students are adequately supervised, a 'Yard Duty Roster' will be created each term allocating teachers to supervise students in defined areas of the school grounds during these times.

Details of the roster are communicated to teachers via the staff noticeboard and by e-mail.

Unauthorised student departure from school

When a student departs from the school (following initial attendance) without authorisation, the parent/guardian will be informed immediately.

Where there is reasonable concern for the student's safety or the safety of others, immediate contact will also be made with the police and the Department's Emergency and Security Management Branch.

Arrangements for students not collected after school

Parents/guardians will be informed when supervision of students is available before and after school hours and that supervision outside of these times and/or the collection of students is the responsibility of parents/guardians. Students remaining in the school yard awaiting collection after 3.45pm will be directed to the office waiting area.

If it becomes known that a student who is normally collected from the school, remains at the school well beyond the normal time of collection, attempts will be made to contact the parents/guardians, or the emergency contact person identified by the parent/guardian in the school records.

Where all reasonable attempts have been made to locate the parents/guardian and the emergency contact persons, and the time is well beyond a reasonable time for collection, consideration will be given to contacting the police or the Department of Human Services and for them to arrange for the care and protection of the student.

Information about the whereabouts of the student will be left with appropriate friends of the student, or next-door neighbours, if known, and at the school.

Arrangements for student supervision on school camps and excursions

The school will provide supervision ratios in line with the Department's policy as outlined in the DEECD School Policy & Advisory Guide, depending on the nature and location of the school activity.
