

Bolwarra Primary School Philosophy

At Bolwarra Primary School we believe that each child is a unique individual who needs a secure, caring, and stimulating atmosphere in which to grow and mature emotionally, intellectually, physically, and socially. It is our desire as educators to help students reach their fullest potential in these areas by providing an environment that is safe, supports risk-taking, and invites a sharing of ideas. We acknowledge the importance of child safety and protecting children from abuse (Please see Child Safe Policy for definition of abuse).

The programs and teaching at Bolwarra PS support and promote the principles and practice of Australian democracy, including a commitment to:

- elected Government;
- the rule of law;
- equal rights of all before the law;
- freedom of religion;
- freedom of speech and association;
- the values of openness and tolerance.

Purpose - To provide a supportive school community which engages and challenges the students to strive for their personal best in order to become valued members of the local and global community.

- Respect for each other and our environment
- Integrity in all our actions
