

CAMPING

POLICY

Rationale:

- The school's camping program enables students to further their learning and social skills development in a non-school setting. Camps may have a cultural, environmental or outdoor emphasis and are an important aspect of the educational programs offered at our school.

Aims:

- To provide all children with the opportunity to participate in a sequential camping program.
- To provide shared class experiences and a sense of group cohesiveness.
- To reinforce and extend classroom learning.
- To provide a program that delivers skills and knowledge that may lead to a lifelong involvement in worthwhile leisure pursuits.
- To provide a program that promotes **positive emotions**, positive respectful relationships, positive emotions, positive health, positive engagement, positive accomplishment and positive purpose

Implementation:

Prior to conducting a camp, the Departments requirements and guidelines relating to camps or excursions, will be rigorously observed.

- A camp is defined as any activity involving at least one night's accommodation.
- The program will be developed sequentially throughout the school.
- The School Council will ensure that all school camps are maintained at a reasonable and affordable cost, and comply with all DE&T requirements.
- As soon as possible the school newsletter will provide parents with approximate dates and costs associated with the year's camps.
- All camps will be budgeted for with detailed and accurate costing presented to the Principal. Parents will be notified of the exact costs and other relevant details of individual camps as soon as practicable.
- Students will not be excluded from camps simply for financial reasons. Parents experiencing financial difficulty, who wish for their children to attend camp, will be required to discuss their individual situation with the Principal. Decisions relating to alternative payment arrangements will be made by the Principal on a case-by-case basis with the idea of mutual exchange to be used where possible.
- All families will be given sufficient time to make payments for individual camps. Parents will be sent reminder notices a fortnight before the camp departure date reminding them of the need to finalise payment. Children whose payments have not been finalised at least two school days before the departure date will not be allowed to attend unless alternative payment arrangements have been organised with the Principal.
- Office staff will be responsible for managing and monitoring the payments made by parents and will provide classroom teachers with detailed records on a regular basis.
- The designated "Teacher in Charge" of each camp will ensure that all camps, bus arrangements and camp activities comply with Department of Education and Training guidelines. The "Notification of School Activity" form will be completed online three weeks prior to the camp departure date. All students will be required to provide written permission from their parents to attend the camp, as well as a completed "Confidential Medical Information for School Council Approved Excursions" form.
- Classroom teachers will be given the first option to attend camps.

- The school will continue to provide the opportunity for teachers to update their first aid skills and will provide a First Aid staff member on each camp.
- A mobile phone will be available at all camps.
- Parents selected to assist with the camps program will be required to undertake a Working With Children's check. The school will pay for the associated costs.
- Parent volunteers may be required to pay the accommodation and meals cost of the camp.
- Parents will be requested to collect their child from camp if their child exhibits behaviour that is considered unacceptable. The Teacher in Charge, in consultation with the Principal, will make this decision. Costs incurred will be the responsibility of the parent.
- All camps require School Council approval. This approval is sought at a scheduled meeting at least three weeks prior to the departure date. Information presented to the School Council will include: -
 1. The educational aims and objectives of the camp.
 2. The names of all adults attending and their expertise and experience.
 3. Travel arrangements and costs.
 4. Venue details and an itinerary of events.
 5. Procedures followed to ensure the safety of the children.
 6. Details on the number of students excluded from camp.
 7. Alternative program for students not attending camp.
- The above information will be provided to the Principal at least a week before the School Council meeting date.
- Students travelling outside Portland will be on buses with seatbelts.
- The school will budget \$1000 for Grade 5/6 camp and \$1000 for the Grade 3/4 Camp. Where possible parents Club will provide \$4000 over 2 years for the Grade 5/6 camps.
- Camp organisers will need to complete a Camp Evaluation form. This form will need to be presented to School Council within 6 weeks of the camps completion.
